SHA-SHIB AVIATION ACADEMY

Approved by DGCA, Govt. of India under CAR-147(Basic)

A UNIT OF SHA-SHIB GROUP

**“SOUTH ASIA’S LARGEST GROUP TO IMPART
AIRCRAFT MAINTENANCE ENGINEERING”**

ABOUT US

www.saakochi.com

Instituted in 2007 and approved by the Director General of Civil Aviation, Ministry of Civil Aviation (Government of India) Sha-Shib Aviation Academy has been established as one of the best Aircraft Maintenance Engineering colleges in India. The institute is known for its dedicated and experienced faculties, stimulating educational environment, state-of-the-art infrastructure, with one of the best DGCA results.

Education is no longer confined to the boundaries of a classroom. Under CAR 147(Basic) introduced by DGCA, practical training in an actual working environment is compulsory. To this end, Sha-Shib Aviation Academy has associated itself with Air India Engineering Services Ltd. in order to give hands-on training to the students at Kochi International Airport.

What do we offer ?

We offer Aircraft Maintenance Engineering in Both Mechanical(B.1.1) & Avionics(B 2) Stream

Sha-Shib Aviation Academy is approved under CAR 147(Basic) by Director General of Civil Aviation, Ministry of Civil Aviation, Govt. of India to offer Aircraft Maintenance Engineering course.

Aircraft Maintenance Engineer also called "AME" is a very important position in the operation department of Aircraft Maintenance which is mandated by DGCA under the Aircraft Act 1934 and rules Thereon to be appointed by all the organisations engaged in aircraft flying and its maintenance like Airlines, FTOs , MROs, etc. to carry out and certify all kind of Aircraft maintenance.

An Aircraft Maintenance Engineer (AME) is basically a person licensed* to certify the aircraft or its component for its airworthiness before its release to service. In other words, an Aircraft Maintenance Engineer carry out and certify overhaul, major repairs of aircraft, Aircraft Engines, components and accessories thereof before its release to service as mandated by DGCA, Govt. of India.

*Completion of the course and passing all the Modules along with clearing of the license exam/skill test conducted by DGCA as required vide CAR 66 is the Gateway to become a successful AME . One may Refer CAR 66 to go through Detailed Requirements for obtaining AME License.

Approval

Approved by DGCA, Ministry of Civil Aviation, Govt. of India Under CAR-147(Basic)

Course Duration

2400Hrs-2 Years (Full time)
including 360Hrs. of out-sourced
Practical

Admission Eligibility

Passed 10+2 with PCM or 3Years
Diploma or Equivalent from a
recognized Board/University

FEES & PAYMENT

S.no.	Description	Fee(Rs)
1	Registration Fee *	20,000/-
2	Admission Fee *(At the time of Joining)	2,00,000/-
3	Library Fee(One Time)	5,000/-
4	Cost Of Uniform(One Time)	5,000/-
Tuition Fee-Mode Of Payment(Semester Wise)		
1.	1st Semester (At the time of Joining)	75,000/-
2.	2nd Semester (Beginning of 2 nd Semester)	75,000/-
3.	3rd Semester (Beginning of 3 rd Semester)	75,000/-
4.	4th Semester (Beginning of 4 th Semester)	75,000/-
Total Fees		5,30,000/-

- ✓ Expenses incurred during technical visits / Practical at out sourced facilities and DGCA examination fees is borne by the student.
- ✓ *For fees refund policy, Bank Loan Facilities , Scholarships , Hostel & Mess Facilities visit our website: www.saakochi.com

& Many More

Why Us ?

30 years of Glorious Educational Excellence

Sha-Shib Aviation Academy, Kochi is one of the Best & progressive institute under the banner of SHA-SHIB GROUP which has earned its name as “**The Largest Group**” in South Asia for imparting training in the field of Aircraft Maintenance Engineering.

SAA is approved in both **Mechanical stream [B1.1]** & **Avionics stream [B2]** by Director General of Civil Aviation, Ministry of Civil Aviation, Govt. of India under CAR 147(Basic)

SAA is situated on very prime location just **opposite to Cochin International Airport**, India's fourth-largest international airport, has become the first airport to function completely on solar energy, marking a major milestone. It fuels our students to fulfill their dream.

Our aircraft hangar is filled with plenty of synthetic working mock-ups along with fully running **Heavy Aircraft Lear-Jet 25B** and **Light Aircraft Cessna-150** for better understanding & exposure of practical knowledge to students.

Only The Best Can make you “The Best”

Smart & Air-Conditioned Classrooms facilitates comprehension learning and reiterate the facts that technology is now an integral part of the teaching system.

Having tie-up with **Air India Engineering Services**, **Taneja Aerospace & Aviation Ltd.** for practical at Airports in live working environment.

Having workshops and working models related to aircraft systems i.e Airframe Shop, Engine Shop , Precision Shop, Welding Shop, Machine Shop, Fitting Shop, Instrument Shop, Radio Shop, Electrical Shop, etc.. for uncompromised training to AME students.

Apart from the tie-ups with Air Indian Engineering Services and Taneja Aerospace & Aviation Ltd., our group has it's **own 4 nos. of Maintenance & Repair organisations** across India which is a boon for the learners of Sha-Shib Group as they get a chance to become familiar with the actual working environment

The academic activities at Sha-Shib Group is administrated by a “**Centralized Academic Council**” which is mentored by more than **15 experienced and licensed Aircraft Maintenance Engineers**, working in our group's own MROs which is a boon for the learners of SAA-Kochi too.

The academic aids like Training Notes, Practical Schedules, practice tests are being monitored by the Centralized **Academic Council**” .where 7 Training Managers, 7 Quality Managers, 100 Certified faculties take active part to extract the most research course materials

Our **presence at 6 airports/airstrips**—i.e. Guna, Chhindwara, Ratlam, Hossur, Jamshedpur and Bhubaneswar for carrying out aviation activities, which will also be helpful for the AME aspirants and in airports where we run flying clubs and carry out maintenance activities are useful for having aviation exposure.

Only The Best
Can make you
“The Best”

Why Kochi for Education ?

Kochi, Kerala could be considered as the ideal place for undergoing aviation technical courses. The state with 100% literacy has been performing great in various sectors including aviation. The hospitable populace, farsighted development plans, excellent educational infrastructure including schools, colleges and academies, and a conducive environment for education are features that Kerala possesses.

The educational scenario in Kerala is far advanced than other states of India. It is ranked as one of the most literate states. The Kerala model of development owes its attributed success to the achievements in the area of education and health.

Social life of Kerala - People around the world have admired the social life of Kerala. It has been welcoming citizens from around the country and the world without any discrimination of color, caste, creed or religion. Imbibing the goodness of every culture, you can witness an amalgamation of various customs and traditions. Kerala is the epitome of unity in diversity, the spirit of India.

International Connectivity – The state is connected with almost all countries in the Middle East and other parts of the world. There are daily and weekly flights connecting Kerala with main destinations across the globe. The flight operations necessitate ample ground support to function efficiently. This gives Kerala, an upper hand with respect to the aviation industry.

International Airports – Even though one of the smaller states, Kerala has 04 international airports. I.e. Trivandrum, Kochi, Kannur and Calicut. The students can have adequate exposure to aircraft operations, ground handling and all the activities related to the aviation sector.

SHA-SHIB GROUP

The background of the slide is a photograph of an airplane, specifically focusing on the engine and the front fuselage. The image is darkened with a blue overlay to make the white text stand out. The engine is a large, multi-fan turbofan. The fuselage shows the cockpit windows and the front door. The scene is set on an airfield or tarmac.

ADVANTAGE TO THE LEARNERS OF SHA-SHIB

Training & Placements are Administrated by a Centralized Academic Council of highly experienced and dignified Aviation professionals

Academics Plan & Course Materials are prepared by a group of 7 Training Managers & 7 Quality Managers and More than 100 highly experienced faculties under the mentorship of more than 15 licensed Engineers.

Learners At Sha-Shib Group Get Unique & Exclusive Opportunities To Get Mentored By More Than 15 AME License Holders

Only the Best Can make you “The Best”

Sha-Shib “Academic Council”

To keep the academic activities of the learners of Sha-Shib, the Group has set up a centralized Academic Council which enables us to impart researched course Material to the Learners in order to create world class Technocrats

100+

Highly Qualified & Experienced Faculties

Imparting Training at 7 AME institutes under the Banner of Sha-Shib Group.

12 Quality Managers

Approved By DGCA, Govt. of India & Auditing the Quality of Training & Maintenance Activities of AME institutes and MROs under the Banner of Sha-Shib Group.

7 Training Managers

Approved By DGCA, Govt. of India & Leading the Academic & Training Activities at 7 AME institutes under the Banner of Sha-Shib Group.

15+

Licensed Aircraft Maintenance Engineers

The Academic team of Sha-Shib Group is Mentored by more than 15 Licensed AMEs working in Group's MROs at more than 6 bases & Sub Bases Approved By DGCA, Govt. of India

“YOUR SUCCESS IS OUR PERK”

Group's Own MROs

Approved By Director General of Civil Aviation, Ministry of Civil Aviation (Govt. of India) Under CAR 145

 The MRO acronym is used to refer “Maintenance, Repair & Overhaul Organisation ” which are approved by DGCA, Govt. of India.

 As per the regulations framed by DGCA, Govt. of India, All Aircraft and it's Part are mandatorily maintained & certified at DGCA approved MROs only.

 The MROs of Sha-Shib Group maintain many Aircraft and it's Part at More than 6 Airport and Maintenance base across India.

Such Organisation Open opportunities to strengthen the practical hands of AME students and also huge no. of employment for the AME passed out students.
